NOTICE OF APPEAL AND REQUEST FOR SUSPENSION

Madam:

Applicant hereby appeals to the Trademark Trial and Appeal Board from the decision of the Examining Attorney dated April 10, 2003, in which the Examining Attorney issued a final refusal to register the above-identified trademark based on an alleged unacceptable identification of goods and services.

An appeal fee of \$100.00 is attached. Any additional fees should be charged to our Deposit Account No. 18-2284.

Applicant also requests that action on this appeal be suspended pending the disposition of the request for reconsideration which Applicant has filed simultaneously with this Notice of Appeal. Applicant believes that its amendment to the identification submitted in the request for reconsideration, may overcome the refusal issued by the Examining Attorney. Thus, Applicant requests that action on this appeal be suspended in accordance with TMEP § 1501 until the Examining Attorney makes a determination regarding the request for reconsideration.
